

PROFESSIONAL LICENSURE DISCLOSURE
Southeastern College – AS/AAS in Surgical Technology

Degree Title (Concentration)	Level
AS/AAS in Surgical Technology	AS/AAS

PROFESSIONAL LICENSURE DISCLOSURE STATEMENT

This Disclosure is strictly limited to Southeastern College (SEC) determination of whether the **Associate of Science and Associate in Applied Science in Surgical Technology** (the “Program”), if successfully completed, would be sufficient to meet the educational requirements for licensure or certification in a State, as defined by 34 C.F.R. § 600.2.

SEC’s AS and AAS in Surgical Technology graduates will be eligible to sit for the national certification exams at the Surgical Technologist entry level. The Associate of Science Degree in Surgical Technology program at the Boynton Beach Campus and Miami Lakes Campus are accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org). The Associate in Applied Science in Surgical Technology at the North Charleston, Columbia, and Charlotte Campuses are accredited by the Accrediting Bureau of Health Education Schools (www.abhes.org).

NOTE: This disclosure does not provide any guarantee that any one state licensure entity will approve or deny application for certification or professional licensure. Furthermore, this disclosure does not account for changes in state law or regulations that may affect your application for certification or licensure that may occur after this disclosure has been made. If your career plans include pursuing professional licensure or certification in your chosen field, it is important to become educated on the credentialing requirements of the state in which you hope to practice by contacting the state’s licensure entity.

Per 34 C.F.R. § 668.43, SEC has determined whether the program satisfies state educational requirements for licensure as follows: [This map of state laws has additional information for each state.](#)

State licensure certification requirements vary from state to state, depending on each State's laws and regulations. The state licensure entities oversee educational and non-educational requirements for licensure or certification for their state.

All enrolled students and prospective students are encouraged to contact their applicable state licensure entities to familiarize themselves with the specific professional licensure or certification requirements. For information on how to contact state licensure entities, please visit the U.S. Department of Education State Contacts webpage at: <https://www2.ed.gov/about/contacts/state/index.html?src=contact-us>

For additional information and a listing of specific states which require certification or licensure, please visit the web site of the Association of Surgical Technologists: [Association of Surgical Technologists \(ast.org\)](http://www.ast.org)

For program information, please visit SEC's website's program page at: [Surgical Technology | Southeastern College \(sec.edu\)](http://www.sec.edu/surgical-technology)
