PROFESSIONAL LICENSURE DISCLOSURE STATEMENT

This Disclosure is strictly limited to Southeastern College (SEC) determination of whether the **Associate of Science in Nursing/Associate in Applied Science in Nursing, and the Bachelor of Science in Nursing** (the “Program”), if successfully completed, would be sufficient to meet the educational requirements for licensure or certification in a State, as defined by 34 C.F.R. § 600.2.

SEC’s AS/AAS & BS in Nursing meets the educational degree completion requirements for licensure in the state of Florida and South Carolina as a Registered Nurse and the designated states below. The nursing programs at the Boynton Beach Campus and Miami Lakes Campus have been approved by the Florida Board of Nursing. The students that have met all educational and institutional requirements for the Associate of Science degree in the Nursing program are eligible to have their names submitted to the Florida Board of Nursing to be considered as a candidate for the NCLEX-RN. The Florida Board of Nursing is the state agency authorized to determine if the applicant qualifies to take the National Council Licensure Examination (NCLEX-RN) for licensure as a Registered Nurse. The ASN programs at the Miami Lakes Campus is accredited and the Boynton Beach Main Campus holds candidacy status with the Accreditation Commission for Education in Nursing (ACEN). Southeastern College’s Associate in Applied Science in Nursing programs at the Columbia and N. Charleston Campuses have been granted Initial Board Approval by the South Carolina Board of Nursing. The students that have met all education and institutional requirements for the Associate of Applied Science Degree in the Nursing program from Southeastern College are eligible to have their names submitted to the South Carolina Board of Nursing to be considered as a candidate for the NCLEX-RN. The South Carolina Board of Nursing is the state agency authorized to determine if the applicant qualifies to take the National Council Licensure Examination (NCLEX-RN) for licensure as a Registered Nurse. The Bachelor of Science in Nursing (BSN) degree program is for licensed registered nurses who possess an associate degree in nursing (ASN). Upon successful completion a Bachelor of Science degree will be awarded.

**NOTE: This disclosure does not provide any guarantee that any one state licensure entity will approve or deny application for certification or professional licensure.** Furthermore, this disclosure does not account for changes in state law or regulations that may affect your application for certification or licensure that may occur after this disclosure has been made. If your career plans include pursuing professional licensure or certification in your chosen field, it is important to become educated on the credentialing requirements of the state in which you hope to practice by contacting the state’s licensure entity.

Per 34 C.F.R. § 668.43, SEC has determined whether the program satisfies state educational requirements for licensure as follows:
