## **Program Offered, Occupational Therapy Assistant Associate in Applied Science Degree, p. 216**

### *Description*

Southeastern College's Associate in Applied Science Degree in Occupational Therapy Assistant prepares students to work as an occupational therapy assistant under direct supervision of a licensed occupational therapist. Occupational therapy is the art and science of helping people gain skills needed to become independent in daily living activities. Students learn the therapeutic use of occupations which include self-care, work and play/leisure activities in order to maximize independent function, enhance development, prevent disability and maintain health. Intervention strategies may include adaptations to a task or environment or compensatory approaches in order to facilitate clients' achievement of maximum independence.

Southeastern College will be seeking accreditation for the Occupational Therapy Assistant Program by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA) located at 6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929. ACOTE's telephone number, c/o AOTA, is (301) 652-6611, and its web address is [www.acoteonline.org](http://www.acoteonline.org). Visit <https://acoteonline.org/schools/ota-associate/> to view status. ~~4720 Montgomery Lane, Suite 200, Bethesda, MD 20814-3449.~~ As the program becomes operational, data will be collected and compiled to submit for accreditation. When the program attains ACOTE accreditation status, graduates of the Associate in Applied Science Degree in Occupational Therapy Assistant program will be eligible to sit for the National Board for Certification in Occupational Therapy (NBCOT) certification exam. A direct link to information regarding the OTA program's pass rates for graduates attempting the national certification examination is made available by NBCOT at <https://secure.nbcot.org/data/schoolstats.aspx>.
