

THE TORCH

Southeastern College

1628 Browning Rd. Suite 180 Columbia, SC 29210

Hello, Southeastern Students:

We are excited to expand our mission of bringing quality career education to our students and to the community. Our Radiologic Technology Program has been on campus now for a month and we are so excited to have these wonderful students and this awesome program.

We are also excited about our new campus located at 581 Columbia Mall Blvd. Columbia, SC 29223. The new campus has an ample amount of room as we continue to grow, quick access to both I-20 and I-77, offer several food options and parking. It is a great time to be at Southeastern as we continue to grow!

We look forward to working with each of you and helping you to reach your career goals.

Be sure to follow us on:

COVID-19

As we continue to put forth our best efforts to slow the spread of COVID-19 we wanted to share what Southeastern College is doing daily. Our campus takes the health and safety of our students, faculty, and staff seriously which is why we ask that you follow all policies being implemented.

1. Masks/face coverings are required to be worn by everyone in the building.
2. Temperature checks required before entering the building.
3. One-way arrows around the building to allow for social distancing.
4. Around the clock sanitation specialists on staff.
5. In class lunch breaks to reduce large crowds in the lobby.
6. Fog disinfectant sprayed in every room/office before and after use.

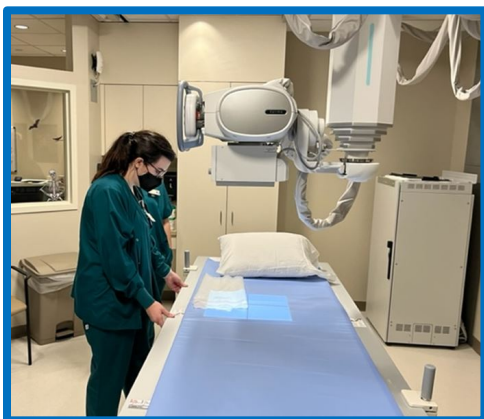

Welcome, Radiology Technology Students

Southeastern College – Columbia would like to send a warm welcome to our first cohort of Radiology Technology students. These students are our first inaugural class, and we are excited to have them here on our campus. The Radiologic Technology program is led by Program Director, Ms. Keilani Socrates.

Join us in welcoming our Radiology Technology students!

Radiology student, Joseph Chisholm dress in scrub attire during field trip to LMC-Northeast

Radiology students took a field trip to Lexington Medical Center-Northeast to learn more about the field and gained hands-on experience in the lab.

Southeastern Columbia's first cohort of Radiology Technology students. We are excited to have you!

Career Services

Employment assistance can range from finding a part-time survivor job while in school to finding full-time, in-field employment after the completion of your program.

Resume and cover letter assistance is available, as well as mock interviews. Appointments are not necessary but recommended for those looking to receive one-on-one assistance.

Please e-mail or call The Department of Student Services to schedule a date and time.

P'Laura Padgett, *Director of Student Services*

ppadgett@sec.edu | 803-798-8800

College Central Network

College Central Network is a FREE service offered to students and alumni that assists with finding employment opportunities! New positions are posted daily along with where and how to apply. All students and alumni are pre-registered for this service but will need to complete their registration via the e-mail link sent to them by The Department of Student Services. This service also allows for employers to see student and alumni resumes and lets The Department of Student Services approve resumes before they are submitted to employers.

STUDENTS:

Leadership Distinction Seminars

The Department of Student Services offer a professional development seminar each month. These seminars help to ensure our students are career ready once they complete their program.

Should you attend five seminars and complete a 4-hour community service project you will receive a red honor cord to wear at the commencement ceremony and a certificate.

Seminars are listed on the monthly calendar and on Blackboard. Seminars are also facilitated monthly inside the classroom.

Remember, Tutoring is Available

Please remember that tutoring is available for all academic programs. Should you need tutoring feel free to reach out to your Program Manager, Instructor, Dean of Academics or Student Services.

We are here to help you succeed!

Graduation Checklist Requirements:

- ✓ Grad. Exit Seminar
- ✓ Resume to Student Services
- ✓ Graduate Exit Application
- ✓ Department Clearance Form
 - Campus President
 - Bursar
 - Financial Aid
 - Director of Admissions
 - Student Services
 - Dean of Academics

Cord Chart Equivalency

Blue & White = Perfect 4.0 GPA

Gold = 3.75 – 3.99 GPA

Silver = 3.50 – 3.74 GPA

Green & White = Perfect Attendance

Red = Leadership Distinction

Purple = Student Ambassador

Congratulations to our students who made Dean's List and Honor Roll during the Fall semester.

Dean's List students have maintained a 3.75 – 4.00 GPA and Honor Roll students have maintained a 3.50 – 3.74 GPA.

We are so proud of your academic accomplishments and wish you continued success as you continue to move forward in your program.

CAMPUS

HAPPENINGS

Congratulations to EMBCS graduate Tamika Hall who passed her CBCS certification this Fall. Awesome job, Tamika!
